Address YOUR letters to:
THE EDITOR
FANTASTIC FOUR
THIRD FLOOR
655 MADISON AVE.
NEW YORK 21, N. Y.

DEAR EDITOR:

I've got to hand it to you. It takes a lot of guts to write "The Greatest Comic Magazine in the World" on the cover of a mag. But, in your case, the risk paid off, because I don't think any comic reader can doubt it. The Fantastic Four has everything! Great art, terrific characters, and a more adult approach to the stories than any other mag I've read (except "Amazing Adult Fantasy," which is yours too, I understand). You are definitely starting a new trend in comics — stories about characters who act like real people, not just lily-white do-gooders who would insult the average reader's intelligence. Keep it up and I'm your fan for life!

Len Blake
Los Angeles
California

What a letter! If we had any sense, we'd end this section right now, while we're ahead. But, we've got more space to fill, so here goes . . .

DEAR EDITOR:

I thought I'd seen everything, but when you showed the Thing putting on his new costume and grumbling: "Bah! Costumes — that's kid stuff! Who needs 'em? I ain't gonna wear this fool outfit!" I nearly flipped! At last I've found a magazine with characters which are different! They're unpredictable, and unforgettable! If you don't make the Fantastic Four a monthly, I'll shoot myself!

Anthony Gonzales
Mexico City
Mexico

We've been thinking about making the F.F. a monthly, Tony. All we need now are a few extra pair of hands and a new work day with 48 hours in it! But, if we can find a way to do it, let the competition beware!

DEAR EDITOR:

Are you kidding?? What kind of super-characters are these? They're always fighting among themselves! They have the same jealousies and personality clashes as real people! Have you flipped your lids?? Do you think comic mag readers are intelligent enough to appreciate all that good writing jazz? If you want my opinion — you're darn right!

S. Goldberg
Forest Hills
New York

Whew! You had us worried there for a minute, S. G.! But it seems that we ARE right, for in just a short time the Fantastic Four has become the most talked-about comic mag in the country! Now, if only people will stop talking about it and start buying it . . .

DEAR EDITOR:

Big deal! So you finally hit a winner with the Fantastic Four! Now, what are you going to do for an encore??

Shirley Howard
Chicago
Illinois

That's easy, Shirl! We can always come up with new titles like The Fantastic Five, The Fantastic Six, etc. — As long as we don't run out of numbers!

DEAR EDITOR:

In your second issue, in the Skrulls From Outer Space yarn, when Susan Storm holds the stolen gem and becomes invisible, the gem becomes invisible too! Explain that!

Bruce Fogel
Oak Park
Michigan

Tell you what — let's make a CONTEST out of it! We'll give $5.00 to the reader who sends in the best explanation. (How's that for getting off the hook, pal??)

DEAR EDITOR:

How about biogs of Stan Lee and Jack Kirby? And don't tell me that the Fantastic Four are real people, but Lee and Kirby are imaginary!

Jim Moony
Hollywood
California

We're real enough, Jimmy boy! But everytime Kirby poses for a picture, the camera lens breaks! And whenever Lee starts to write about himself, he uses the word "I" and "Me" so much that the typewriter quits! However, we may yield to public demand in the future. (Some demand! One grubby little post card!)

DEAR EDITOR:

My favorite Fantastic Four character is The Human Torch!! Why don't you have a whole book just about him?

Unsigned
Fall River
Massachusetts

Maybe we will, Unsigned. But first, we'd like to know what our other fans (both of them) think. So let us know, huh? Which is your favorite character? And don't be wise-guys and tell us Millie the Model and Patsy Walker!

It's impossible for us to answer your letters personally. So, watch this space for your answer. It may take years, but what else have you got to do??

How to 'take charge' of a highly-paid job in AIR CONDITIONING & REFRIGERATION

Are you interested in a better job, big money and a secure future? Do you prefer work that is interesting, a challenge to your imagination, and loaded with opportunities to go in business for yourself? Then why not consider a career as mechanic or technician in the Air Conditioning and Refrigeration industry!

You see, Air Conditioning is now America's finest opportunity field. The government reports that during the past 12 years, production increased 400%. *No other industry did better!* The fact is, 8,200,000 domestic and industrial units are produced annually. Already 150,000,000 are in use. Experts say that 20,000 technicians must be trained each year to match industry growth! You can qualify for a top-pay job. How? *Train at home in spare time.* The CTI method is easy, practical and resultful. Quick, too. For full information, *mail coupon below.*

Many CTI graduates go in business

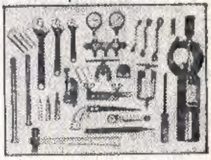
It is relatively easy to start a repair business in the Air Conditioning and Refrigeration field. Armed with up-to-date knowledge, seasoned with skill acquired through practice on kits, and equipped with tools and gauges, many graduates start out on their own. Some expand into retail stores. Others have contracts to service taverns, restaurants, food stores and commercial buildings. The more resourceful become contractors. Conditions for success are excellent.

Many students earn cash as they train

The average CTI student is eager to put his skill to profitable work, on a part-time basis. Though most students prefer to tie up with local dealers and repair establishments, a surprising number are independents. The extra cash helps meet training cost. Often there's enough to bank, or invest in more equipment.

Letters prove efficiency of training

"I have a business of my own servicing domestic and commercial refrigerators."—*Paul Humphrey, Colo.* "I made $1,000 while training, and am now a refrigeration man for a dairy."—*Giles Minton, N. C.* "I opened a little shop and am swamped with work."—*Charles Corley, Kan.* "Doing service work on a part-time basis the past 10 months, I earned $2,400. Have a nice business."—*Renos Johnson, Ind.* "My firm advanced me to field superintendent."—*Milburn Dougan, Ark.* You can do as well as these graduates!



An exclusive feature of CTI training is that you get parts to build a ¼ h.p. commercial-type condensing unit (above). You also receive mechanic's tools and gauges (right). After unit is assembled, you can build an air conditioner, freezer, refrigerator or milk cooler. Only CTI sends *working* kits.

Learn by practicing—Get valuable experience

The modern way to train is to gain skill and experience *with* knowledge—not *after* you graduate. From CTI's simple picture-lessons, you master elemental theory. From experiments and building with kits, you develop skill. In other words, you learn by practicing, pick up solid experience much like on the job. That's the interesting, relaxing way to train after a day's work on your present job. CTI training is exciting!

Send for fact-filled booklets—Mail coupon now

Exactly what are your opportunities in Air Conditioning and Refrigeration? How does CTI train men for success? Get detailed, accurate answers to these and many more questions by filling out and mailing the coupon below. No obligation. —Commercial Trades Institute, Chicago 26, Ill.

MY SECRET NEW DYNAFLEX METHOD

CAN BUILD YOU A MAGNIFICENT NEW HE-MAN-MUSCLED BODY IN JUST TEN MINUTES A DAY—with absolutely NO weights—NO bar-bells—NO EXERCISE AT ALL!

Yes! If the girls LAUGH at you now when you take off your shirt—they'll be breaking down the doors to get dates with you—once they've seen the rugged DYNAFLEX BODY I can give you! I'll build you a tough brutal massive body—shoulders clad with solid inches of he-man BRAWN. I'll give you bulging biceps, trip-hammer fists, power-packed legs, and a chest that will have you popping the buttons off your shirt with pride! (—says MIKE MARVEL, "Builder of Champion Bodies")

Mike Marvel

ARE YOU WEAK, ALWAYS TIRED, LACK PEP?

Whether you're thin and scrawny, or sagging with unsightly fat—my secret DYNAFLEX method will cram pep, vigor and red-blooded vitality into your puny, exhausted body. Once DYNAFLEX makes you a two-fisted dynamo of manly beauty, rippling with power, glowing with magnetic sex-appeal—you'll be bursting with get-up-and-go. Man, you'll be really ALIVE—tingling with zest and rip-roaring energy—for the first time in years!

PROOF!

"I tried two other systems, before my buddy told me about DYNAFLEX. It *really* works—and how! I've put two inches of solid muscle on my biceps, three inches on my chest. It's like magic!"
L. C., New York City

"I never thought you could build terrific muscles without exercises or weights. Started DYNAFLEX two weeks ago, and am building a *great* physique."
E. G., Detroit, Mich.

"DYNAFLEX is the best yet. Only three weeks, and I have more dates than I can handle! I am telling all my pals about DYNAFLEX."
F. S., Chicago, Ill.

ARE YOU ASHAMED OF YOUR BODY NOW?

Pal—do YOURSELF a favor! Take a good long look in a mirror. Do you see a puny, starved body—scrawny arms—bony shoulders—a flabby stomach and skinny legs? Do girls laugh and fellows grin when you take off your shirt?

BELIEVE IT OR NOT—I can add solid pounds of rippling, steely he-man MEAT to your build. I can take those skeleton arms and PACK EVERY INCH with explosive virile MAN-MUSCLE. I can take that caved-in chest and build on six rugged inches of strong sleek MAN-SIZED BRAWN. I can clothe your skinny frame with GIANT RIPPLING DYNAFLEX MUSCLES that will have the girls gasping with awe and admiration! And with NO tiring exercise, NO high-priced bar-bells or gym equipment!

Or is your problem a body sagging with soft rolls of unhealthy, unhandsome FAT? Puny muscles—sagging stomach—bloated face—arms heavy with layers of BLUBBER? Are you ASHAMED to go to the beach and let them see your "FAT-MAN PHYSIQUE"?

If so, wake up fella! THIS IS IT! I will peel off that fat and give you a lean virile DYNAFLEX BODY, armored with a sheath of hard tough handsome muscle. I can build you into a healthy, streamlined HERCULES—bursting with dynamic manly strength. I'll give you a taut rock-hard midsection—legs muscled like coiled steel springs. I can pack solid DYNAMITE into your fists and give you a rugged handsome build brim-full of the magnetic SUPER-BODY SEX-APPEAL girls are hungry for. And with NO starvation diets—NO fatiguing calisthenics—NO expensive health-foods!

HOW DYNAFLEX BUILDS BEAUTIFUL BODIES

DYNAFLEX is the modern miracle of body-building. It takes no tiresome exercises, "crash" diets, protein foods, and no weights or bar-bells. DYNAFLEX is the amazing discovery of a West German Doctor whose research into the Science of Strength found a thrilling new way to build GIANT BRAWNY MUSCLES in ten minutes a day. With DYNAFLEX you "flex" each muscle once—in a certain way—that is more effective than if you exercised that muscle 20, 30, even 100 times the old-fashioned way. With DYNAFLEX you get bigger results in ten minutes than after hours of grunting and groaning, heffing heavy weights. DYNAFLEX coaxes each muscle in your body to bring out its round, steely fullness and satiny symmetry. DYNAFLEX packs that muscle with glowing vibrant new strength and energy—FAST. In ten minutes a day I can cover your bony frame with healthy rippling muscle—give you a deep, powerful chest—solid shoulders and iron wrists—tough, slim midsection—and trim, steel-spring legs—simply thru "DYNAFLEXING" each muscle once a day!

There's nothing wrong with the bar-bell and weight-lifting method . . . but why bother? Why waste time and money, why sweat and strain your way to a streamlined symmetrical SAMSON-STRONG BODY—when you can do it better—bigger—faster—easier with the DYNAFLEX SECRET?

STRONG-MAN SEX-APPEAL ATTRACTS GIRLS

Be honest. Down deep you KNOW you envy the boy with the virile, magnificent build. Every man and boy secretly desires a broad brawny back, a solid man-muscled chest, handsome he-man shoulders, arms rippling with tough, steely sinews, a narrow waist, slim hips and springy, power-packed legs. Girls go for a fellow with TWO-FISTED BIG MUSCLE SEX-APPEAL . . . and they only laugh at skinny guys or "fatso's".

Let me give you a glowing new body, brimming over with energy and irresistible inches of solid muscle on your chest—he-man appeal. I can build three inches of beef and brawn on your shoulders . . . will mold you a handsome super-body of terrific strength, give you a crushing grip, legs crammed with steel springs. A lean taut rock-solid punch-proof midsection. Pack your body with energy and thrilling stamina that will have girls falling at your feet.

GIVE ME TEN MINUTES A DAY —THAT'S ALL!

After DYNAFLEX, you'll be able to roll up your sleeves and take off your shirt and, for the first time in your life, you'll be PROUD of your manly build. Yes, pal, say goodbye to your weak, flabby frame—get ready for adventure and romance with a solid physique that glows and vibrates with virile he-man appeal. You'll be really proud to have people see your MAGNIFICENT HE-MAN-MUSCLES at the beach or gym. And, when the fellows stare with envy and jealousy—when the girls crowd around to squeeze your iron biceps or touch your bulging brawny chest—when they ask in amazement HOW you did it—tell them about the Magic Secret of DYNAFLEX!

Your Pal,
MIKE MARVEL

Albert Dorne — probably the greatest money-maker in the history of commercial art. At the height of his career, he began a full-time search for people who like to draw.

He's Looking for People Who Like to Draw

TODAY HUNDREDS of men and women who never thought they could be artists are working happily at easels and drawing boards, making pictures, and getting well paid for it. They all can thank Albert Dorne, a famous artist who devotes almost his full time to helping other people become artists.

Some of the people Dorne has helped

Herb Smith was a payroll clerk. Soon after he started studying with us, he landed an art job with a large printing firm. This was four years ago; today he's head artist for the same firm.

John Busketta is another. He was a pipefitter's helper in a big gas company. Today he still works for the same company, but as an artist in the advertising department, with a big increase in pay.

Harriet Kuzniewski was bored with an "ordinary" job before she heard of Albert Dorne. Today she does high-style fashion illustration in New York.

With the right training, Wanda Pickulski gave up her typing job to become fashion artist for a local department store.

John Whitaker of Memphis was an airline clerk two years ago. Recently he won a national cartooning contest and was signed to do a newspaper comic strip.

Long before Albert Dorne started looking for people who like to draw, they came to him for advice and help. Since he alone could only help a few of these people he called together America's most successful artists —men like Norman Rockwell, Jon Whitcomb. Stevan Dohanos and Al Parker.

A Plan to Help Others

He said: "All over America, there are people who like to draw, who could be turned into good artists. Why can't we give these people the training they need—including all the trade secrets and know-how we've learned over the years? I'm suggesting a new kind of school—a home-study art school that would give talented people the best professional art training, no matter where they live."

The famous artists agreed. Taking time from their busy careers, they spent several years creating a remarkable series of art lessons covering every aspect of drawing and painting. They illustrated their lessons with over 5,000 "here's-how" illustrations. The lessons start from scratch and cover every skill a top artist needs. Finally, the famous artists developed a wonderful way to give each student personal correction and advice all through his training.

Albert Dorne is not surprised by the success of his students. "The art field is growing. We keep getting calls from all over the country, asking us for practical, well-trained students who can step into full-time or part-time art jobs."

Famous Artists Talent Test

To find others with art talent worth developing, the famous artists created a 12-page talent test. Thousands paid $1 for this test, but now the School offers it free and will grade it free. If you show talent on the test, you will be eligible for training by the School. No obligation. Simply mail coupon. It might be your first step to an exciting, well-paid career in art.
